

How to sign up for a free copy of MS Office

- First, make certain you have completely uninstalled any trial version of office which may be present on your computer.
- Open a web browser and go to Microsoft.com
 - Click on Office on the horizontal ribbon menu.
- Click on Products and select “For students” from the dropdown menu under “For home”

-
- Enter your USW email address on the resulting page next to “Get Started” and then click on Get Started

Enter your school email address

-
- Click “I’m a student”
 - You will be sent a registration verification code at your USW email address.
 - Fill in the form which appears including the verification code that was sent to you.
 - Then click Start

Office 365 Education

Here's your verification code

To finish signing up for Office 365 Education, enter the code on the signup page.

Because you're signing up with a school email address, your school may control your Office 365 communications and data. Their policies apply to your use of the service.

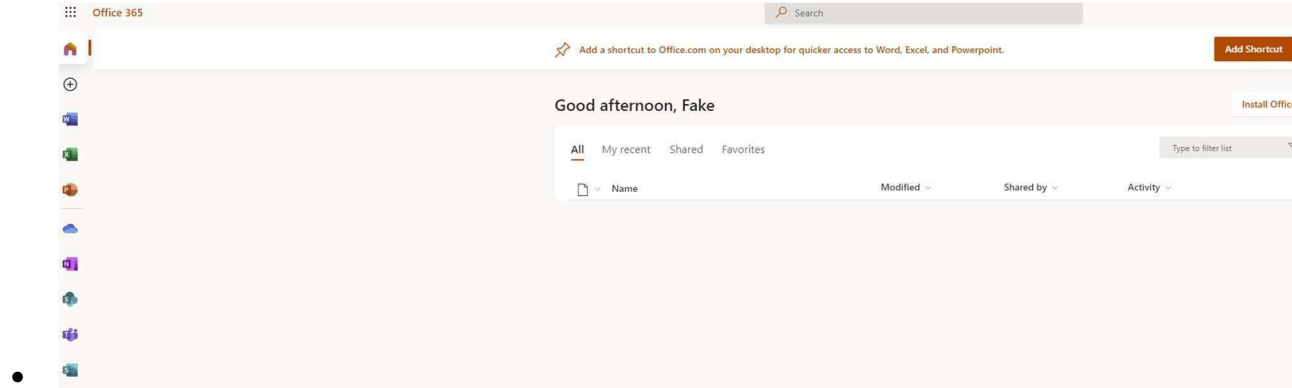

Don't want to sign up? Just ignore this email. Thanks.

Microsoft Corporation, One Microsoft Way, Redmond, WA 98052

On the resulting page you should have a “Install Office” link. If it is not visible, refresh the page a few times and it should eventually show up.

- Click the “Install Office” link and follow the prompts until completion.
