Office of Financial Aid

Financial aid awards are made based on the Cost of Attendance (COA) for the award year and the results of your Free Application for Federal Student Aid (FAFSA). The COA includes both direct costs (charges) from USW, as well as estimated additional expenses you may personally incur while pursuing your degree at USW. The COA represented below is based on full-time enrollment for the entire 22-23 school year. If you attend as a less than full-time student, or if you begin the school year after August 2022, your COA may be decreased to reflect your enrollment status. The total amount of financial aid (including student loans) a student may receive cannot exceed the COA for the enrollment period.
