TuitionSelect Payment Plans

give you these **advantages:**

- **Financial flexibility.** Pay for college tuition and fees over several months instead of writing “one big check.”
- **No interest charges.** TuitionSelect is not a loan. There are no interest charges or hidden fees.
- **Automatic payment options.** You can choose to have your monthly payments automatically deducted from your bank account or charged to your credit/debit card so you don't have to worry about missing a payment.
- **Online account management tools.** Log into the TuitionSelect website anytime to view your account, make adjustments, or change your payment method.
- **Friendly, helpful customer care.** Get expert answers to your questions anytime toll-free, by e-mail, or live chat.

TuitionSelect Payment Plans are a convenient option many families choose to help simplify their college finances.

TuitionSelect gives you financial flexibility by allowing you to spread out payment for tuition and fees over several months. You make several smaller, more manageable monthly payments instead of writing “one big check”– and there are no interest charges.
